With new floors, media equipment, internet, new chairs/tables in a separate storage room, remodeled kitchen, remodeled ADA bathrooms and a new paved parking lot (coming this month), the Community Center is a perfect place for community events, trainings, and private parties!

The Community Center kitchen remodel creates a beautiful space for hosting events.

New landscape rock was placed in front of Eproson Park with help from Twain Harte Homeowners.

New LED Lights were installed on the Eproson Park Baseball Field, creating better lighting for youth sports and community concerts, while saving on electric costs.

The Twain Harte Meadows Park contractor sets large boulders as part of the initial construction.

Board Members Kathryn deGroot, Gary Sipperley, Richard Knudson, Eileen Mannix, Charlotte Bohlman and General Manager Tom Trott joined 75+ community members to celebrate the Twain Harte Meadows groundbreaking ceremony.

Twain Harte Meadows Park project is now taking shape on the ground! The \$2.6 million project is made possible through a combination of grants and should be complete by early fall 2024. Drive by and watch this community-designed park take shape over the next several months. We can't wait until it becomes a gathering place for friends and family to enjoy!
