Several improvements were made at the community center thanks to the help of Rotary. This included new windows, drywall, paint and sound panels. We're working on upgrades to the bathrooms and kitchen next!

The snack shack and bleachers got some fresh paint thanks to our partnership with Twain Harte Homeowners.

We partnered with a local teen working on his Eagle Scout project - a new concrete ping pong table at the park.

After dreaming together as a community for two years, the Twain Harte Meadows Park project is now moving forward! The \$2.6 million project is made possible through a combination of grants, including a \$1,202,700 grant through the State Department of Parks and Recreation's Rural Recreation and Tourism Grant Program and a \$1.4 million grant through the State Water Resources Control Board's Stormwater Grant Program. We plan to break ground in spring 2023. For more information, please visit: <https://www.twainhartecsd.com/twain-harte-meadows-park>
